

Water Wheel is one of the quite achievers of the Victorian wine scene. This bargain blend of Shiraz (70%), Cabernet (16%), Malbec (8%), and Petit Verdot (6%) is a seductive fruit bomb with toasty oak dressed across the top. The coffee bean flavor's pretty strong in '07, but it's still one of the great value for money prospects in Victorian red.

90 points.

Nick Stock. WBM 100. Oct 2008.
